

## **FISCAL NOTE**

### **HB 2343 - SB 2306**

March 9, 2007

**SUMMARY OF BILL:** Enacts the *Fire Safety Standard and Firefighter Protection Act* which requires cigarettes sold in this state to meet certain ignition and flame standards in order to reduce the risk of fire caused by smoking. The selling or manufacturing of cigarettes in violation of the provisions of this bill is punishable through civil penalties.

#### **ESTIMATED FISCAL IMPACT:**

**Increase State Revenues - \$144,700 Triennially**  
**Reduced Cigarette Ignition Propensity and Firefighter Protection Act Enforcement Fund**

**Increase State Revenues – Not Significant**  
**Fire Prevention and Public Safety Fund**

**Increase State Expenditures - \$46,900 Recurring**  
**\$4,000 One-Time**  
**Reduced Cigarette Ignition Propensity and Firefighter Protection Act Enforcement Fund**

#### Assumptions:

- Revenues, in the form of certification fees charged to cigarette manufacturers, will be collected in an amount sufficient to cover expenditures as required by the provisions of this bill. These revenues will be deposited into the newly created Reduced Cigarette Ignition Propensity and Firefighter Protection Act Enforcement Fund.
- Revenues collected from civil penalties will be deposited into the newly created Fire Prevention and Public Safety Fund.
- An increase in state expenditures from the Reduced Cigarette Ignition Propensity and Firefighter Protection Act Enforcement Fund to fund one new position in the Fire Marshal's office to implement and enforce the provisions of this bill.
- Any increase in state expenditures to the Department of Revenue and the Attorney General will be not significant.
